Description	AQUA STAR KING CRAB 500g
UPC	731149112292
Case Pack	5 x 500g
Product Information	<p>"Wild Caught" and harvested off the coast of Argentina, with a deep-coloured shell, snowy white tinged with red, delicate texture, and a very sweet flavor.</p> <p>Our special "Star Cut" feature makes it extra easy to enjoy this delicious <b>FULLY COOKED</b> King Crab without all the work of cracking the shell. We pre-crack the shell so the it can easily be removed for access to the succulent meat inside.</p>
How to prepare:	<p><b>Serve Chilled:</b> Remove from bag and thaw in refrigerator overnight or run under cold water 20-30 minutes.</p> <p><b>Serve Warm:</b> This is a fully cooked product so do not <u>over heat</u>. Steam: Fill bottom of a large pot with water. Bring water to a boil. Place <b>thawed</b> crab in steam basket and steam over boiling water for about 7-9 minutes. If <b>frozen</b>, steam for about 12-16 minutes.</p>
